All-In-One CD/MP3 Player

2-channel mixer with Relay Playback

Touch sensitive scratching

The AMERICAN AUDIO ENCORE 1000 is an "all-in-one" dual CD/MP3 player and 2-channel audio mixer with XLR outputs, ready to connect to power speakers or an amplifier. This affordable all-in-one combo makes it easy for DJs to stay organized and perform with professional sounding on top of the groove in the digital realm. It has everything you need to play and mix MP3s, CDs and CD-Rs like a true professional.
The ENCORE 1000 features a bright LCD display that can be seen from a wide angle, touch sensitive scratching and has relay playback, a great feature that automatically switches between the two decks from track to track or at the end of each CD.

The AMERICAN AUDIO ENCORE 2000 2-Channel CD/MP3/MIDI Controller Mixer improves on the design of the trusted CK series. The ENCORE 2000 is an ideal solution for mobile DJs, small venues and home use with versatile features that include dual CD / MP3-CD players MIDI software control, USB ports for thumb and FAT-32 formatted drives, large touch-sensitive platters, scratching function and more. The unit's integrated 2-channel mixer features a familiar layout with level control, crossfader and headphone cueing controls. The ENCORE 2000's support for MP3-CDs means less bulk and a greater access to larger libraries of music. The large and bright LED displays features MP3 track listing, BPM display and many more.
